That an independent legal review and expense analysis be conducted on the information provided by the Board of the Richmond Olympic Oval Corporation concerning the previous Board and CEO.

(This review is necessary to verify that all terms and conditions were explicit, fair, and legally binding.)

That a review of the former CEO's duties, practices, and obligations be carried out to confirm their reasonableness and alignment with industry standards.

(In both instances, these reviews are crucial to ensuring compliance with laws and regulations, thereby safeguarding the interests of the Corporation and its stakeholder, the City of Richmond. Upholding ethical business practices is fundamental in mitigating potential risks and liabilities going forward.)
